

EARLY CHILDHOOD MUSIC CLASSES

SPARK YOUR CHILD'S
MUSIC JOURNEY

The Music Circle's Early Childhood programme gives young children a positive start to a lifelong journey with music.

Classes are designed to spark your child's creativity and develop them holistically.

Early Childhood Music Pathway

TMC's Early Childhood Music Pathway lays a strong and essential foundation for their first steps as musicians.

The Music Circle

THE TINY CIRCLE

Music Appreciation
for 3 year olds

Develop the little musician in your child with The Tiny Circle - TMC's music class for three year olds. Parent-and-child will both enjoy a time of bonding through music and movement, storytelling and music-based activities.

Each 10-lesson term is themed to help your child experience different aspects of music while learning about the world around them.

Format:

- 40-minutes per lesson
- Parent-accompanied
- 10 lesson modules
- Home activities and playlists provided to create a musical environment at home.

Fees:

- \$400 per module
- Flexible Payment schedule: Two payments - Pay for the first 5 weeks. Pay the balance after your fifth class.
- \$10 materials fee per term will include all materials, home activities and playlists provided for the term.

The Music Circle

THE LITTLE CIRCLE

Grow with Music
(4 year olds)

The Little Circle is a general music class for four year olds that will grow your child's curiosity and excitement about music making. Children will be introduced to music concepts like rhythm and solfège, and experience a wide range of music forms and genres.

The parent-accompanied classes are conducted in small groups, and sessions are designed to be loads of fun!

Objectives:

1. Develop singing, aural and rhythm skills.
2. Develop gross psychomotor skills through music and movement.
3. Draw connections between music and the world we live in.
4. Experience parent-child bonding through shared musical sessions.
5. Build creativity and imagination through music, storytelling and play.

Format

- 45-minutes per lesson
- Parent-accompanied
- 11 weeks per term

Fees

- \$440 per module
- \$50 Registration fee, includes all materials for course.

THE JUNIOR CIRCLE

Pre-Instrumental Course (5 year olds)

The Junior Circle develops the budding musician in children, as they explore rhythm, singing and basic musical skills in preparation for instrumental learning.

The interactive group classes are tailored for 5 year olds, to cultivate their interest in music, and develop creativity through music-making in a fun and nurturing environment.

Objectives:

1. Develop singing, aural and rhythm skills based on learned songs.
2. Develop psychomotor and kinesthetic abilities through music and movement.
3. Showcase imagination and creativity through performance.
4. Explore a variety of pieces from different cultures, genres and periods.
5. Discover various instruments through sound and play.

Learning Outcomes:

1. Sing in pitch, scales and songs using solfège.
2. Aurally identify chords and tonality.
3. Aurally and visually identify rhythms.
4. Display kinesthetic and musical development:
5. Improvise/compose short melodies using learned melodic patterns
6. Be able to describe basic stylistic traits of a piece.
7. Display basic skills in playing of learned instruments.

Format

- 45-minutes per lesson
- 11 weeks per term

Fees

- \$440 per module
- \$50 Registration fee, includes all materials for course.
